Lessee must provide actual and posted notice of nonliability pursuant to §38-22-105 C.R.S. notifying all persons who might claim any liens or encumbrances upon the Property relating to any work, labor, services or materials provided for or improvements to the Property initiated by or conducted for the benefit of Lessee that the Board's interests are not subject to such liens or encumbrances. - g) Lessee must not make false statements to the Board regarding the Property or Lessee's use of the Property.

- h) The failure of the Lessee to comply with any of the requirements and obligations of this section will be grounds for immediate cancellation of this Lease at the election of the Board, and will subject the Lessee to sanctions, penalties and fees in accordance with applicable policies, directives and schedules, as adopted by the Board from time to time, and incorporated in this Lease by reference.

17. INDEMNIFICATION AND COSTS

- a) Lessee assumes all liability arising from the use, occupation or control of the Property by Lessee under this Lease. Lessee further agrees to indemnify the Board for any costs, including costs of suit and fees for consultants, experts, and attorneys, incurred by the Board in terminating or canceling, enforcing obligations or defending itself against any matter arising under this Lease caused or permitted by Lessee or Lessee's employees, agents, guests, invitees, contractors or assigns. This indemnity is in addition to any other indemnity provided for in this Lease. Lessee will not be responsible for any liability caused by persons granted other uses of the Property by the Board.
- b) The Board does not warrant, represent or guarantee the safety of Lessee's improvements, crops, livestock, personal, or other property. Lessee hereby releases the Board from any and all claims for damage or loss to Lessee's improvements, crops, livestock, personal, or other property and shall indemnify and hold the Board harmless, including the Board's attorney fees and costs, from any claims associated with Lessee's improvements, crops, livestock, personal, or other property regardless who brings such, including Lessee's insurer. The Board advises Lessee to obtain insurance for losses to improvements, crops, livestock, personal, or other property due to theft, fire, smoke, water damage, hail, flood, drought and the like. THE BOARD PROVIDES NO COVERAGE FOR LESSEE'S IMPROVEMENTS, CROPS, LIVESTOCK, PERSONAL, OR OTHER PROPERTY.

Lessee is responsible to stay fully informed of all applicable policies, directives and schedules. Lack of actual notice or knowledge of applicable policies, directives and schedules will not provide a defense for any failure to comply. Lessee acknowledges that the Board meets publicly on a monthly basis and at such public meetings may amend or change existing policies, directives and schedules and/or adopt new policies, directives and schedules. Any amendments or changes to existing policies, directives and schedules and any adopted new policies, directives and schedules, will be effective after adoption by the Board and are incorporated into this Lease by reference.

Any and all damages that are awarded for such taking of the Property will be the exclusive property of the Board. Lessee hereby disclaims any interest therein and assigns to the Board any and all claims to such award. The Board will not claim any interest in authorized improvements of the Lessee and the Lessee will only be entitled to compensation for authorized improvements as negotiated between the Lessee and the condemning public authority or as determined by the court.

25. NO LEASEHOLD INTEREST

Upon sale, condemnation, exchange or other disposition of the Property, or any part thereof, and upon any other cancellation or termination of this Lease, either at or prior to the end of the lease term, Lessee will have no claim or right to any leasehold interest or any right to compensation for any leasehold interest based upon any unexpired term or expectation of extension or renewal of this Lease except as provided by applicable statute. This section does not change Lessee's rights in the authorized improvements set forth in the section entitled "Improvements."

26. NO SALE, ASSIGNMENT, OR SUBLEASING OF LEASE OR PROPERTY

Upon approval of a Transfer, the Board may change or impose new rental amounts, terms, conditions and payments.
- b) Any transfer or change in the control or ownership of the Lease necessitated by bankruptcy, death, divorce, merger, sale of private property or otherwise will be a Transfer requiring Board notification and approval.

27. DEFAULT

- a) Defined

In addition to any defaults specified in other sections of this Lease, the failure of either Party to comply with or to perform any of its obligations under this Lease in whole or in part or in a timely or satisfactory manner, or Lessee actions that diminishes the value of the Property in any way, constitute a default. If Lessee or any party that is member of Lessee holds any other leases with the Board, any default of any other lease constitutes a default of this Lease as well. Lessee is not responsible for the

actions of the Board's other lessees of the Property or parties that Board has granted access to the Property outside of this Lease.

b) Notice and Cure period

1. Non-Monetary Default:

- i. In the event of a non-monetary default, notice of the default will be given in writing by the aggrieved Party to the other Party in the manner provided in § 28. If the defaulting Party has not cured the default within 30 days of receipt of written notice, or if a cure cannot be completed within 30 days, if the defaulting Party has not begun the cure within 30 days and pursued the cure with diligence, the other Party may exercise any of the remedies set forth in § 27(c) or otherwise available at law. But, the Board may intervene immediately, without notice or cure period, if reasonably necessary to preserve public safety or to prevent immediate public crisis, or prevent significant irreparable harm to the Property. Alternatively, the Board may require the Lessee to act immediately to remedy any default, which the Board deems a threat to safety, life, or property.

2. Monetary Default:

- i. If Lessee fails to make any payment to the Board, the Board will send Lessee an invoice that will include applicable penalties and interest ("Delinquent Invoice"). If the Board does not receive full payment of the Delinquent Invoice within fifteen (15) days of the Delinquent Invoice, the Board will send a letter ("Demand for Payment") via certified mail to the Lessee. Other named lease participants and any named collateral interest holder will be copied on the Demand for Payment. If the Board does not receive full payment within thirty (30) days of the date of the Demand for Payment, or if the certified receipt is returned to the Board without a signature, the Board may exercise any of the remedies set forth in § 27(c), or otherwise available at law.
- ii. The Board will accept partial payments. Any acceptance of a partial payment will not waive any rights or claims of the Board or any obligations of Lessee to make full payment. The Board will send Lessee a Delinquent Invoice with the outstanding balance due including applicable penalties and interest and follow the notice and cure process provided in § 27(b)(ii)(1).
- iii. If payment cannot be processed due to Non-Sufficient Funds ("NSF") Lessee will be notified via certified letter of the non-sufficiency and will have three (3) days after receipt of certified letter to cure the NSF. In the event a certified receipt is returned to the Board without a signature, the Board will follow the cure process provided in § 27(b)(ii)(1). After notice of NSF, Lessee must make payment by bank check (Cashier's Check), money order, Automated Clearing House (ACH), or credit card. No personal checks will be accepted. Interest and penalty will be applied.

c) Remedies

If Lessee defaults and fails to cure after notice of the default, the Board will have the following remedies:

1. The Board may terminate the Lease. Upon termination for default, the Board may retain all rental monies previously paid. The Board may also hold, appropriate, sell or otherwise dispose of any fences, improvements, and machinery of Lessee upon the Property to recover the payment of any delinquent rental amounts or any other claims of the Board against Lessee on account of damages, expenses, injury or otherwise.
2. Lessee forfeits all improvements on the Property to the Board and the Board may retain all rental monies previously paid.
3. The Board may enforce the terms of this Lease through specific performance.

4. The Board may seek damages for the failure to comply with the terms of this Lease.
5. The Board may cure the default. If the Board cures the default, Lessee agrees to repay the Board for all costs for curing the default including without limitation costs of suit and fees for consultants, experts, and attorneys.
6. The Board may forward any outstanding debt to the State of Colorado Central Collections for further action.
7. The Board may terminate any other lease that Lessee or any party that is member of Lessee holds with the Board.
8. These remedies are cumulative. The Board may exercise any of these remedies individually or in any combination. The Board may exercise these remedies concurrently or consecutively.

If the Board defaults and fails to cure after notice of the default, Lessee may seek specific performance. Lessee waives all other remedies including damages and must not deduct or set off any rent or other payments due.

28. NOTICES

Any notice, request or demand required or permitted to be delivered under this Lease must be in writing and will be deemed to be given and delivered when deposited with the United States Postal Service, postage prepaid addressed to the party intended at the address stated in this Lease, or to such other address as may hereafter be furnished in writing. In addition, Lessee must provide written notification to the Board of any change of address in a timely manner. Failure to do so may result in penalties and interest in accordance with §13 of this Lease.

29. GOVERNMENT IMMUNITY

Liability for claims for injuries to persons or property arising from the negligence of the State of Colorado, its departments, institutions, agencies, boards, officials, and employees is controlled and limited by the provisions of the Governmental Immunity Act §24-10-101 C.R.S., et seq. and the risk management statutes, §24-30-1501 C.R.S., et seq., as amended. No term or condition of this Lease will be construed or interpreted as a waiver, express or implied, of any of the immunities, rights, benefits, protections, or other provisions, of the Governmental Immunity Act as applicable now or hereafter amended.

30. SURRENDER BY LESSEE

Lessee may surrender and relinquish this Lease by providing thirty (30) days written notice to the Board. If Lessee relinquishes the Lease after any anniversary date, Lessee is responsible for pro-rated rent. The amount due will be calculated from the lease anniversary date to the date Lessee surrenders possession or Lessee's request to relinquish whichever is later, plus interest and penalty if applicable.

31. HOLDING OVER

Lessee agrees to surrender possession and occupancy of the Property peaceably at the termination of the Lease (by expiration or otherwise). If Lessee remains in possession or makes use of the Property in any way after the termination of this Lease, Lessee will be liable for damages in a minimum amount based on a pro-rated amount of the last year's rental during such holdover possession. The amount of damages will not be less than the rate agreed upon in this Lease, and the Board may set damages that Lessee must pay during continued occupancy. At the Board's option, the Lessee will be deemed to be in possession of the Property and to be occupying the same so long as Lessee uses the Property, or so long as any of Lessee's authorized or unauthorized improvements or personal effects remain on the Property. Continued occupancy will be a tenancy at sufferance, and will not establish a new or extended lease term or other right, no matter how long maintained and regardless of the Board's knowledge thereof.

32. TERMINATION

Upon termination, surrender or cancellation of this Lease, Lessee must pay all rental amounts accrued as well as any accrued penalty and interest, must immediately vacate the Property, must remove all improvements and restore the Property as directed by Board and required under this Lease.

33. CONDITION ON TERMINATION

At the termination of this Lease at the end of the Lease term or for any other reason, Lessee must surrender and deliver the Property in as substantially good order and condition as it existed at the beginning of this Lease, except loss by fire, inevitable accident, act of God, damage or neglect not attributable to the Lessee, and ordinary wear and tear.

34. GENERAL PROVISIONS

a) Historical, Prehistorical, and Archaeological Resources

Under no circumstances may any person destroy, disturb, mar, collect, remove or alter any historical, prehistorical, or archaeological resources of any kind on state lands as provided by law. In the event of discovery of anything of any historical, prehistorical, or archaeological nature, the Lessee must notify the Board immediately.

b) Binding Effect

All provisions of this Lease, including the benefits and burdens, extend to and bind the Parties' respective heirs, legal representatives, successors, and assigns.
